MISSION

Our mission at RRCA is to cultivate a heart for God by providing a Christ-centered, college preparatory education.

VISION

Round Rock Christian Academy exists to equip our students to make a kingdom impact for Christ as they fulfill God's eternal purpose for their lives. In an alliance with the parents and the Church, we share Biblical truth from pre-kindergarten through twelfth grade that will enable students to discern, embrace, and promote a Christian worldview. Knowing and witnessing this truth, students will choose to live a productive life to affect their world for eternity.

PURPOSE

Round Rock Christian Academy (RRCA) considers it a privilege to have served preschool children of the King since 1975. We realize that the preschool child is a precious gift from God with unique abilities and needs. Understanding the uniqueness of the young child, we have designed programs for preschoolers which effectively challenge them to develop physically, intellectually, socially, and spiritually.

One of our goals is to nurture the pre-school child's natural joy for learning; therefore, we have created multi-sensory programs that enrich the young child's remarkable cognitive development.

The five day Preschool and PreKindergarten programs are designed to academically challenge 3-5 year olds by providing them with developmentally appropriate learning strategies in a more structured environment.

The Mother's Day Out program is designed to facilitate appropriate learning through play and social interactions.

CURRICULUM

RRCA offers a Christian theme-based curriculum with an emphasis on reading, writing, and math readiness. Preparing confident children to begin kindergarten is the focus of our curriculum. Along with academic readiness, the children are exposed to music education, physical fitness, snack, and art activities. Our early childhood classes are designed to provide children a nurturing godly environment to grow, explore, and create.

RRCA's early childhood department is a ministry of Central Baptist Church and the preschool program is accredited by the Association of Christian Schools International (ACSI) and Advanced ED. RRCA is a member of NAEYC.
