Building Future Leaders Campaign

2017-18 Tuition Freeze Program

RRCA is excited to offer the Tuition Freeze Program which will encourage giving to the Building Future Leaders campaign as well as result in a financial incentive to families with students enrolled at RRCA. Families participating in this program will realize a savings in tuition paid over 5 years. With normal increases in the costs of technology, payroll, and educational resources, RRCA tuition typically rises 3-5% per year.

Tuition Freeze Program - $10,000 Donation (limited to first 100 families!)

With a $10,000 donation, the tuition amounts on the 2017-18 Tuition and Fees sheet will be in effect for **five consecutive school years** for the family's first student (2017-18 through 2021-22 school years.) In addition, your family name will be displayed as a classroom sponsor in the new building. Note that the tuition due will change in future years if the student changes programs (preschool to elementary, or elementary to secondary), but will be based on the 2017-18 Tuition and Fees sheet. The freeze only applies to tuition, and does not include any other fees including Registration fees, Discovery, Aftercare, Athletics, lunches, yearbooks, etc. This offer cannot be combined with the Registration Fee Waiver Program.

The $10,000 donation must be paid as follows: minimum of $2,500 paid by July 1, 2017 and remainder of the pledge to be paid in regular installments by June 30, 2020.

Additional $5,000: For each additional $5,000 donation (above $10,000), the tuition for an additional student in the family will be frozen at the 2017-18 tuition rates (through 2021-22).
