

September 2020

RRCA Crusader Fans:

We are excited to begin competing in athletic competitions with other schools for the 2020-2021 school year. As we are in this unprecedented time, we would like to share with you our guidelines for the upcoming sports seasons.

Spectator attendance will be limited to a predetermined venue capacity for all home and away games. This will typically be limited to a 50% capacity for all indoor or outdoor sporting events. Priority will be given in this order:

- Player parents
- Player siblings
- Player grandparents
- RRCA school community

Once capacity for a venue is reached, we will not be allowed to admit remaining spectators into the event. We understand that this is a change to what we are accustomed. Planning ahead to attend events will be paramount to ease the burden on game administrators having to turn away spectators at the door.

If you want to attend an away game and you are not a parent of an athlete, please contact the Athletic office well in advance to find out the attendance rules for the venue ([danheadley@rrca-tx.org](mailto:danheadley@rrca-tx.org)).

Additional guidelines that will apply to spectators:

- Spectators are required to wear face coverings at all sporting events for the duration and games may be delayed or suspended for non-compliance.
- Spectators will be expected to maintain physical social distancing whenever possible.
- Spectators at the football games will be expected to sit and watch the games (younger children playing along the track will not be allowed this year.)
- No one may attend events if they are exhibiting any symptoms associated with COVID-19, if they have been tested and are awaiting results, or if they have recently been in close contact with someone who has the virus.
- Spectators assume all risks of possible exposure in group settings.

Thank you for your understanding and flexibility during this season. We appreciate your support as a Crusader fan and look forward to being able to welcome back all our fans in years to come.

Dan Headley  
Athletic Director
