

We are **BUILDING THIS GYM!**

Round Rock Christian Academy opened a brand new 50,000 square foot facility in August, 2020. With a current enrollment of almost 700 students, RRCA Administration is pleased to be moving forward in Phase 2 with a groundbreaking event for the new Crusader Athletic Facility in February.

This 18,900 square foot facility will provide for the needs of RRCA's award winning athletic programs with a competition gym, retractable bleachers, locker rooms, weight room, training room and athletic offices. The building will also have space for a cafeteria, an outdoor courtyard eating area, concession stand, and will have the potential for future expansion. It will serve as a multi-purpose facility that can be used for athletic events, physical education classes, and special school events such as pep rallies, graduation, award ceremonies and student assemblies.
