**\*\*Please submit any and all vacations, camps, and mission trips as soon as you know the dates. I have given THREE full weeks off during the summer for summer fun, I would love if you could vacation during these dates but know that does not always work for every family.**

**\*\*If you feel you would miss more than 2 full weeks of practices during the summer outside of our off weeks, you must talk with me before trying out to determine if this team’s schedule is a “right fit” for you. Thank you!**
