

Wait Pool Acknowledgement Agreement

My student listed below has entered the admissions process at Round Rock Christian Academy and my student's grade has become full. I have the option of entering them into the Wait Pool process and agree to the follow:

1. I have paid the Registration Fee and agree that \$125 of that fee is non-refundable even if my student is not accepted, as this pays for Placement Testing or Assessment.
2. I will submit the Enrollment Application and all required documents per the Admissions Process.
3. My student will undergo Placement Testing (PK & K = Assessment, 1st – 12th = Placement Testing).
4. My student and both parents/guardians will be present for a New Family Interview with the Principal.
5. If an enrollment spot becomes available & my student meets the enrollment requirements, we understand that we have 24 hours to commit to accepting an enrollment spot and must pay the New Student Fee. If we do not accept within 24 hours, our student's enrollment spot will be offered to another student in the wait pool.
6. We will sign the Tuition Contract and pay the (annual) Registration Fee and (one-time) New Student Fee minus the \$125 Application Fee paid in Step 1.
