1	Wonderful experience and smooth transition!	9/10/2025 9:01 PM
2	Kinder readiness was a huge help to get the whole family prepared & made the transition so much easier for our daughter	9/8/2025 7:44 PM
3	Our son Jake missed all of the orientation events as he literally was accepted days before school started! I wish he had been able to attend as I think it would have helped him acclimate better at RRCA. Jake is interested in FCA, NHS and student council and we will try to help him figure out how to be involved.	9/5/2025 5:39 PM
4	We are happy at RRCA, but still adjusting to a big school as we came from a very small preschool/kindergarten. Everyone has been very nice and we are really wanting to build relationships with the different staff we encounter throughout our days. Some staff are very outgoing and easy to connect with while others are more reserved and it feels more difficult to build those relationships. Some teachers offer encouraging feedback about how our child is doing when we see them (which we really appreciate since it's our first year at RRCA) while others haven't shared much. Some teachers provide photos of classroom activities which helps us see first hand what some of our child's day looks like and we really appreciate that. We love that we can attend chapel with our child.	9/5/2025 10:28 AM
5	I feel the workload is very time consuming for my 6th grader. She is still trying to get the hang of it but it is also hard for the parents to keep her on track when not all the teachers put the assignments on canvas. Some are worksheets that may be missed. It would be helpful if all the assignments and due dates were on canvas so parents and students don't feel overwhelmed with all the work. Especially in 6th grade when students are getting used to having many classes.	9/5/2025 8:29 AM
6	Orientation was a bit confusing with no clear direction on what to do. It would be nice if there was a orientation checklist for new families, such as: - Go to gym - Pick up chromebook - Pick up yonder pouch - Sign up for kid pickup - Meet Math Teacher - Meet Art Teacher - Meet Science Teacher, etc. It was hard to tell what was required or optional. With a list of suggested things to do with a checkbox in a logical manner, it could help new families plot a straightforward tour path and help those unfamiliar from excessive wandering back and forth on campus.	9/5/2025 7:25 AM
7	Everyone has been very kind.	9/4/2025 6:57 PM

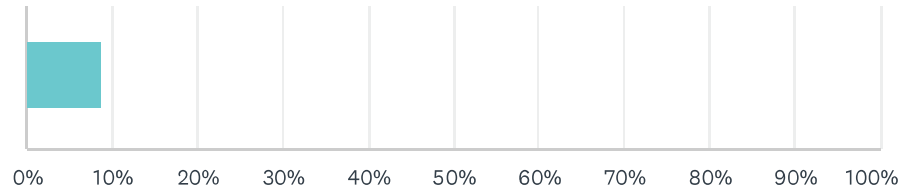

8	Both of our kids have done well acclimating to a new environment. Our struggle has been learning how to use all of the portals and helping our kids (primarily the third grader) learn how to study and knowing what is due when, homework, and Canvas. This remains a struggle for us as parents, but our teacher has been very gracious and patient with us. Constructively, I'd would have appreciated more information on the Discovery program so that parents had an opportunity to ask questions. All I received was a welcome/registration packet but the welcome letter didn't have enough information for me originally. When I reached out to our home room teacher, she was able to meet with me and put me at ease.	9/4/2025 12:19 PM
9	We have had a great start and warm welcome!	9/4/2025 11:33 AM
10	Still adjusting but hopeful	9/4/2025 11:12 AM
11	A+	9/4/2025 11:09 AM
12	Everyone has been amazing! We are happy to be a part of this community.	9/4/2025 11:06 AM

1	We really appreciate all of the communication from the teachers and administration. It is helpful for us with keeping up with everything going in the school and their classroom. The FACTS website can feel a little tricky to navigate sometimes though.	9/5/2025 10:31 AM
2	It would be helpful for the parents and kids if all teachers used canvas to post when assignments are due.	9/5/2025 8:32 AM
3	Canvas codes not working	9/5/2025 8:01 AM
4	I think an understanding how each teacher uses Canvas is important for parents to help their students ensure that work is being turned in on time.	9/4/2025 12:21 PM
5	Canvas has a learning curve, slowly figuring it out, which I'm assuming a user issue. Need to work with it some more	9/4/2025 11:35 AM
