

Campus Development and Expansion

RRCA will pursue thoughtful campus growth to accommodate rising enrollment and evolving program needs. This includes land acquisition, phased facility construction, and infrastructure upgrades to support collaborative learning, athletics, and the arts.

- **Land Acquisition and Master Planning**
Secure adjacent property and develop a long-term master plan for potential campus expansion.
- **Construction of Fields and Chapel/Fine Arts Building**
Create a timeline for the expansion of athletic fields and Chapel/Fine Arts Building.
- **Technology and Infrastructure Upgrades**
Modernize classroom technology, improve campus-wide connectivity, and enhance safety systems.

Shaping a Christ-Centered Culture

To preserve and deepen RRCA's spiritual identity, the plan emphasizes staff discipleship, student leadership development, and intentional cultural alignment. Initiatives will reinforce biblical worldview integration across academics, extracurriculars, and community life.

- **Staff Spiritual Formation Program**
Enhance the discipleship and biblical worldview training for faculty and staff.
- **Student Leadership and Mentorship Tracks**
Develop leadership pathways that include spiritual mentoring, chapel planning, and peer discipleship.
- **Faith Integration Across Curriculum**
Ensure that the curriculum has impactful biblical principles woven into lesson plans, assessments, and extracurricular activities.

Community Involvement

RRCA will strengthen its presence in the Round Rock area through expanded partnerships with churches, nonprofits, and local businesses. Service-learning, mentorship programs, and community events will foster engagement and position RRCA as a leader in faith-based education.

- **Church and Ministry Partnerships**

Collaborate with local churches for shared events, pastoral support, and student outreach.

- **Service-Learning and Volunteer Initiatives**

Create service opportunities that connect students with local nonprofits and community needs.

- **Community Engagement Events**

Host open-house, speaker series, and family festivals to build visibility and relationships.

Student Life and Extracurricular Expansion

Recognizing the importance of holistic development, the plan calls for a broader range of clubs, arts programs, and athletic opportunities. Student-led initiatives and external partnerships will enrich the learning experience and promote leadership, creativity, and collaboration.

- **Launch New Clubs and Interest Groups**

Introduce student-led clubs to enhance the overall learning experience and promote leadership.

- **Expand Athletics and Fine Arts Programs**

Add new sports teams, and fine arts programs to allow students to showcase their God given talents.

- **Partner with External Organizations**

Collaborate with local arts, STEM, and leadership organizations to enrich student experiences.

Risk Mitigation and Sustainability

To navigate emerging challenges—including cultural shifts, alternative schooling models, and rapid technological change, RRCA will implement proactive strategies. These include ethical AI integration, wellness initiatives, and long-term planning to ensure institutional resilience and mission fidelity.

- **Ethical Technology Integration**

Implement responsible AI tools and digital platforms with clear guidelines and biblical ethics.

- **Wellness and Mental Health Support**

Establish wellness programs including counseling, peer support, and spiritual care resources.

- **Strategic Planning and Scenario Modeling**

Develop contingency plans for enrollment shifts, cultural trends, and educational innovations.

This strategic plan reflects RRCA's unwavering commitment to excellence in education and faith formation. With the support of our board, faculty, families, and community partners, we look forward to building a legacy that honors Christ and equips students to impact the world.
